

# Cardmakers Catalogue

## September 2015-2016

*Hello, Welcome to our 2015-2016 Catalogue. Over the year we have made some significant progress with our building repairs, it has been a long, slow process. We have not at this stage reopened the retail shop as High Street is very much a "work in progress".*

*You will notice that some items are gone from our catalogue. Some items, we are still stocking, but because of space issues I have not included them in this catalogue. Many of the specialist Invitation cards we are making "to order" and are to be found on our new web site [www.cardmakers.co.nz](http://www.cardmakers.co.nz)*

*Please ask if you are looking for something particular, it is possible that we still stock it and or are happy to make them for you.*

*Have a look at our web site [www.cardmakers.co.nz](http://www.cardmakers.co.nz) if you are looking for specials, there are some bargains to be had. Check out the hand-made recycled papers as we are clearing all this stock out. (If you are having problems logging in to the new site, I have a wee instruction sheet that helps solve some of the more obvious problems on page 2 of this catalogue). Or send me a email with your wish list!*

*We thank you for your patience and encouragement over the last 5 years, the circumstances have been exceptionally difficult and it is great to now see some positive progress.*

*All cards are manufactured by Cardmakers.*

*For orders over \$45 we will give you a FREE bundle of 10 assorted cards.*

*Regards, Nicky and Joe Arts*
